

Second level of study - MSc

Day	Time	7:30	8:00	8:15	9:00	9:15	10:00	10:15	11:00	11:15	12:00	12:15	13:00	13:15	14:00	14:15	15:00	15:15	16:00	16:10	16:55	17:05	17:50	18:00	18:45	18:55	19:40	19:50	20:35	Number	
Monday													Alternative Drive Systems MMM010462W lecture for all building B-4, room 2.41																		
Tuesday													Analytical Mechanics MMM010474C class-exercise building B-4, room 2.41																		
		Modelling of Multibody Systems project MMM010473P building B-5, room 20					Analytical Mechanics MMM010474W lecture for all building B-4, room 2.41						Machinery Design Process lecture for all MMM010476W building B-4, room 2.41																		
Wednesday																															
Thursday																															
							Design of Engineering Materials lecture for all MMM010471W building B-4, room 2.41							Design of Engineering Materials laboratory MMM010471L building B-1, room 117																	
Friday																															
		Alternative Drive Systems MMM010462P project building B-5, room 20					Strength of Materials MMM010475W lecture for all building B-4, room 2.41						Strength of Materials MMM010475L laboratory building B-1, room 204																		

Odd weeks start 28.02. 2011
Even weeks start 21.02. 2011
